

Preventing Infection Workbook Guidance for Dental Practice

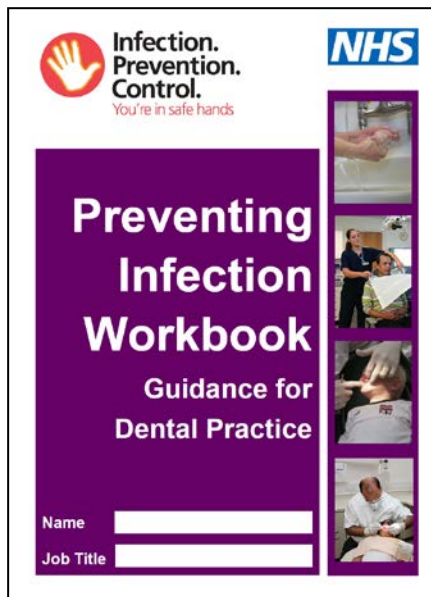

5 hours verifiable CPD

Objective: This workbook has been produced specially for Dental Practice settings to help with CQC registration requirements and achieve compliance with the Health and Social Care Act 2008.

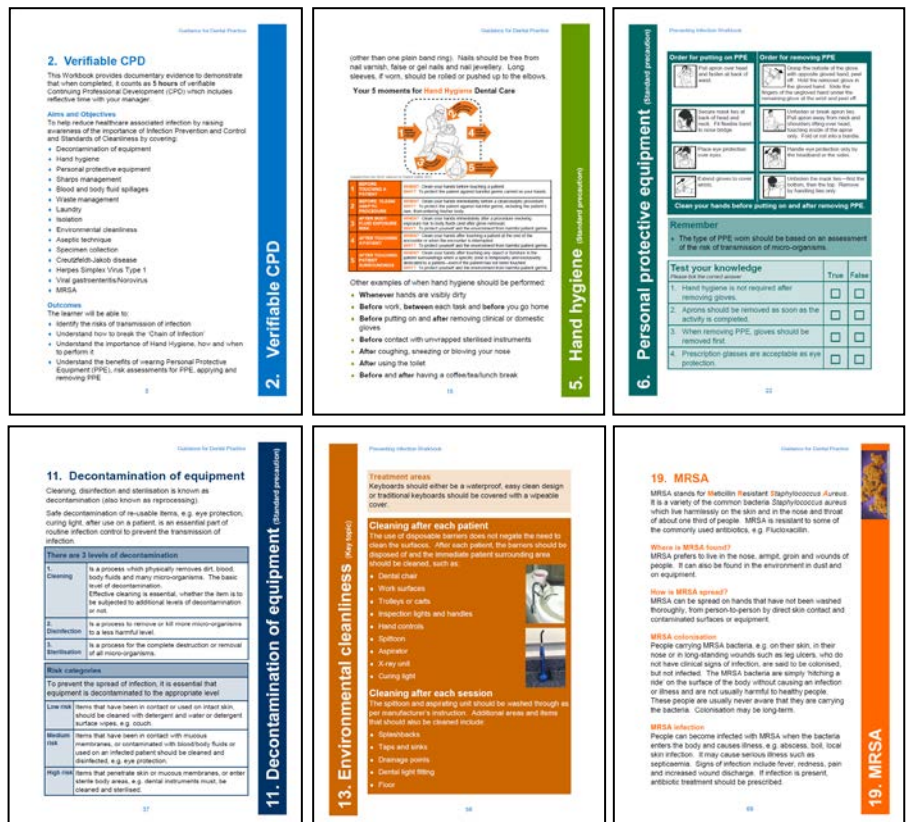

Overview: This innovative 76 page Workbook is A5 size, aimed at all staff working in Dental Practice and provides 5 hours of verifiable CPD. It is designed for all levels of staff and each staff member should receive their own copy to be worked through it at their own pace. Use of our other range of Workbooks is seen as best practice by local CQC Inspectors.

Provides:

- Latest national guidance, including *Health and Social Care Act 2008: Code of Practice on the prevention and control of infections and related guidance* (Department of Health, July 2015)
- Evidence-based information
- 15 topics including the 7 Standard precautions, Isolation, Environmental cleanliness, Aseptic technique, Specimen collection, Creutzfeldt-Jakob disease, Herpes Simplex Virus Type 1, Viral gastroenteritis/Norovirus and MRSA
- Each topic includes a 'test your knowledge' section
- When 100% competency has been achieved, managers sign the 'Certificate of Completion' at the end of the Workbook, providing evidence for CQC compliance
- The Workbook is kept by the member of staff as part of their portfolio of evidence of learning and can be used as a reference guide for day-to-day working
