The screenshot shows the homepage of the Infection Prevention Control website. At the top, there is a phone number 01423 557340 and a navigation menu with links for CQC Compliance, Resources, About us, Case studies, News, Events, and Contact us. A search bar is also present. The main header features the Infection Prevention Control logo and the NHS logo. Below the header, there are navigation links for GP Practices, Care Homes, Domiciliary Care, and Dental Practices and Others. The main content area has a red background with a circular image of hands being washed with soap. Text on the page reads: "Infection Prevention and Control – let our dedicated and approachable team of professionals help you reduce healthcare associated infection and hospital admissions and meet your CQC requirements." There is a button labeled "About our work". Below this, there are four small images representing different care settings: GP Practices, Care Homes, Domiciliary Care, and Dental Practices.
