Important information about carbapenemase-producing Enterobacteriaceae (CPE)

**Please show this card to health and
social care staff involved in your care.**

For the attention of health and social care staff

This service user is known to be colonised with CPE. Please follow your local infection control guidelines.

For further advice, contact your local Community Infection Prevention and Control or UK Health Security Agency Team.

Further information on CPE is available at: www.gov.uk and search 'Carbapenemase'.
