

IPC Bulletin for Care Homes

Issue No. 48 - December 2023

As you deck the halls with holly,
try to keep the season jolly.
Bacteria and viruses can make us ill, and sadly on occasion kill.
They also love this happy time,
hence some advice to you in this festive rhyme.

Ornaments should be single season, or washable... and here's
the reason.

There are bugs around that can't be seen,
on surfaces that are hard to clean.
So, hang them high and out of reach, to gaze up in wonder from
beneath.

And as you trim the tree and hall,
please make it a safe and merry Christmas for one and all.

What's new

- QNI IPC Champions Network event: 30th January, 2024, 2.00-4.00pm via Zoom. visit [Infection Prevention & Control Champions meeting – The Queen's Nursing Institute \(qni.org.uk\)](#)
